

The logo features a red square background. At the top, there are four white, wavy horizontal lines that resemble a stylized flag or a signal. Below these lines, the text "JTB Business Travel" is written in white. "JTB" is in a smaller, serif font and is positioned to the right of the word "Business". "Business" and "Travel" are in a larger, bold serif font, stacked vertically. The "Travel" text is the largest and most prominent.
